BandCraft is a means of creativity and collaboration at its finest. With no PvP or hostile mobs, BandCraft's goal is to be a relaxing environment for players to flex their creative muscles solo or with others. Your imagination is the limit for what you can achieve as a BandCraftian.

Like exploring? Traverse the vast continents and discover a new biome or fauna. Or dive into the intricate plethora of cave systems.

Want to settle some roots? Live city center or pick a scenic plot and create your dream abode.

In an entrepreneurial spirit? Open your own shop, restaurant, entertainment center, etc. Or offer your interior design services to your fellow BandCraftians.

Your adventure. Your way. Just remember to follow the rules found in the in-game **General Guide** so everyone can enjoy their peaceful slice of BandCraft.
